

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

National Intelligence Officers

2 March 1976

MEMORANDUM FOR: Deputy to the DCI for National  
Intelligence Officers

VIA: Assistant to the Director  
Director of Security  
Chief, CCS

SUBJECT: Talks on China to the Outside World

1. As a result of Director Bush and my own participation on 23 February at the Council on Foreign Relations, I received an invitation from Zygmunt Nagorski to address a group of specialists on China on Wednesday, May 12 at 5:15. The subject will be the Chinese leadership struggle. I will draw basically on overt published material and analyses thereof but I may weave in the substance of reports classified up to confidential. I am known at the Council on Foreign Relations as the National Intelligence Officer for China.

2. I have been invited to address the Stoneridge School in Potomac, Maryland, on the subject of Americans in China and the Sino-Soviet-U.S. triangle on 11 March. Because of a conflict of schedule I cannot do it then but will probably do it two weeks from then. No classified information will be used and I will be introduced as a former member of USLO and who now is associated with Mr. Bush.
